ATTN: BOX PCT

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In response to the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US)", mailed March 30, 2000, submitted herewith is the Declaration for the above-mentioned application properly executed by the inventors. Also enclosed please find an executed Assignment and PTO Form 1595.

This is to advise that an inadvertent error was made in the second inventor's nam when the above-named application was filed. The inventor's name was incorrectly shown as "Yun-Gik Lee" on the letter of transmittal dated February 11, 2000, when the above-named application was filed, and should be reflected as "Yoon Jick Lee". The Office is asked to adjust their records accordingly.

Although the executed Declaration and Power of Attorney submitted herewith als reflect the second inventors name incorrectly as "Yun-Gik Lee", the exeuted documents ar considered proper as the correct spelling of the inventor's name through the inventor's signature overrides the inadvertent typographical error.

Checks for the statutory fee of \$ 130.00 and Assignment recordation fee of \$ 40.00 are attached. You are also directed and authorized to charge or credit any difference or overpayment to Deposit Account No. 19-4880. The Commissioner is hereby authorized to charge any fees under 37 C.F.R. 1.492 and any petitions for extension of time under 37 C.F.R. 1.136 which may be required during the entire pendency of the application to Deposit Account No. 19-4880. A duplicate copy of this transmittal letter is attached.

The executed documents are being filed on Monday, May 1, 2000. Since the due dat for filing these documents fell on a Sunday, the filing of the documents on May 1, 2000 is considered timely.

Respectfully submitted,
